SEYBERT, District Judge:

Pending before the Court is the Defendant's request for a three-week adjournment to review consensual body recordings made by a cooperating witness under the FBI's supervision (Docket Entry 151). The Court has reviewed the parties' arguments and concludes that an adjournment is not

warranted. This ruling is based on, among other things, the Government's representation that the recordings constitute neither Brady nor Section 3500 material. Accordingly, the Defendant's request for an adjournment is DENIED.

SO ORDERED.
